

1           86.    The method of claim 84, wherein said step of transmitting directs said  
2 video to said plurality of receiver stations at the same time and each of said plurality of  
3 receiver stations receives or responds to said one or more instruct signals concurrently.

4           87.    The method of claim 84, wherein said step of transmitting directs said  
5 video to said plurality of receiver stations at different times and each of said plurality of  
6 receiver stations responds to said one or more instruct signals at a different time.

7           88.    The method of claim 84, further comprising the steps of receiving said  
8 video at a receiver in the transmitter station, communicating said video from said  
9 receiver to a memory location, and storing said video at said memory location for a  
10 period of time prior to communicating said video to a transmitter.

**REMARKS**

Applicants respectfully request consideration of the instant Supplemental Preliminary Amendment with respect to the above-described application.

The Commissioner is hereby authorized to charge any additional fees or credit any overpayment of fees in connection with this communication to Deposit Account No. 08-3038.
